What do I need for my application?

Five topics to consider before applying

1 Personal motivation

- Why do I want to go abroad?
- What do I hope to gain?
- What do I want to learn or experience?

2 Subject-related motivation

- How does it fit into my studies?
- Which interests to deepen?
- What new things to discover?

3 Academic requirements

- Enrolment in Göttingen
- At least three semesters completed
- Good academic performance

4 Language skills

- Which language of instruction?
- Which language level?
- Which certificate counts?

5 Financial planning

- Can I afford the stay?
- What funding is available?
- How much money do I need?

Prepare your language certificate early
