Dear international researchers,

We would like to invite you and your families to a professionally guided tour: 
**Idyllic Squares – Göttingen’s Gardens, Greenery and Courtyards.**

This guided tour takes you to Göttingen’s idyllic oases of peace: Gardens, greenery and courtyards can be discovered in the old town. Each of these gardens and courtyards has its own history that is closely related to the history of the city and its citizens.

You can discover gardens of herbs, pleasance, and flowers and hear exciting stories about past lives in the courtyards.

**Wednesday, 19.06.2019, 16:00-18:00**
**Meeting Spot: Markt 9, Old Town Hall, Tourist Info close to the Gänseleisel.**

Please let us know with how many people you would like to participate and please tell any other international guests who would like to participate to get in touch with us:
