Competence Centre Landscape Resilience

Call for Applications

Innovation Pool Funds for outreach activities

The steering committee of the Competence Centre Landscape Resilience of the University of Göttingen (UGOE) is pleased to invite motivated researchers, students, and staff to apply for the exciting funding programme **Innovation Pool** with the following focus areas:

Public Outreach

- **Target Group:** Students and staff from UGOE interested in science communication within the topic of land use and resilience; group applications possible
- **Description:** Funding in 2027 for e.g. organisation of events related to land use and resilience, production of a brochure, collaboration with Forum Wissen, hosting of lecture series/ring lecture. The goal should be to enhance visibility and exchange within the scientific community and the public.
- **Application:** One-page project proposal with goal, impact, and budget (use template)
- **Funding Amount:** Up to €10,000 available, several small projects possible
- **Timeline:** the proposed project needs to be implemented by the end of August 2027

How to apply and deadline

Proposals should be submitted using the corresponding templates provided on the website of the Competence Centre (please use the Excel spreadsheet for the budget calculation).

Send the application including the budget calculation sheet **in one pdf to landscape.resilience@forst.uni-goettingen.de**

DEADLINE: 31st January 2027, 12:00 (midday).

Questions on the funding programme? Follow this link to our FAQ page.

Evaluation criteria

1. Importance for research within the scope of the Competence Centre
2. Support of the Competence Centre's strategic mission and visibility
3. Promotion of integration among UGOE researchers
4. Proposed impact and outcome
5. Demonstrated absence of other funding sources
6. Feasibility of proposed budget and timeline

We look forward to your proposals!
