

# Discover the BMW Group Trainee Programme AcceleratiON

Our AcceleratiON Programme is the place to be for dynamic recent graduates from all disciplines – from IT and engineering all the way to production. If you are aiming high and striving for a key position at the BMW Group, you are in good company. So, if you share our passion for future mobility solutions and would welcome the opportunity to take on new responsibilities, AcceleratiON will open doors for you. All you have to do is walk through them. In this live stream event, one of our trainees will give you insights into the programme. You will receive tips for your application and learn about experiences as a trainee. Soon we will share more details about the livestream. You'd like to inform yourself about the programme in advance? Go check out our website: <https://bmw.jobs/QQleN7Mt>

## Why should you join the live stream:

- Find out what awaits you as a trainee at the BMW Group.
- Get some useful tips for your application.
- Talk at eye level with one of our current trainees.
