

PLACEMENT OPPORTUNITY SPRING-CALVING DAIRY HERD FEBRUARY 15 – MARCH 31, 2026

Hands-on learning experience on
a spring-calving dairy herd

FARM DETAILS

- 110 cows and 20 heifers calving in Spring 2026
- Rearing all Holstein Friesian replacement calves (22 heifers for 2027), surplus sold at local marts
- 4 stock bulls (2 Aberdeen Angus, 2 Hereford) – all Friesian bred by Ai, mainly with sexed semen
- 3 ponies to be broken next year
- 60 hectares farmed in North Cork, South of Ireland

We are 3 hours from Dublin Airport, and only 1 hour from both Cork and Shannon Airports

Applicants should preferably be 18 years or older and have some farming experience

Kind regards, Mike and Mary Madden
