

Triple I – Integration, Interaction and Institutions

Call for Applications

Application deadline **30 October 2009**
for mobilities starting before **September 2010**.

Triple I awards scholarships for studies and research in
19 European and Russian partner universities.
Scholarships are available for undergraduates, masters,
doctorates and post-doctorates.

The objective of the *Triple I – Integration, Interaction and Institutions* is to create an active network of Russian and European universities who cooperate multidisciplinary and multilaterally and promote innovation through joint research, education, and exchange of experience and good practices. *Triple I* awards scholarships within the theme of *Integration, Interaction and Institutions*. Duration of mobility can vary from one semester to 34 months.

Applications are welcome to all partner universities:

European universities	Russian universities
University of Algarve (Portugal)	Higher School of Economics
University of Bologna (Italy)	Immanuel Kant State University of Russia
University of Deusto (Spain)	Irkutsk State University
University of Göttingen (Germany)	Kazan State University
Humboldt University Berlin (Germany)	Petrozavodsk State University
University of Leuven (Belgium)	Russian State University for the Humanities
Middle East Technical University (Turkey)	St. Petersburg State University
Pultusk Academy of Humanities (Poland)	Udmurt State University
University of Turku (Finland)	Ural State University
	Yaroslav-The-Wise Novgorod State University

The call is open only for from European and Russian nationals in Doctorate and Post-Doctorate levels and European Undergraduate and Master level applicants. Preference is given to applicants from Algarve, Deusto and Pultusk, and to Irkutsk, Novgorod and Petrozavodsk. For more detailed information on eligibility, selection criteria and grants, please see www.utu.fi/iii.

Online application system opens on 14 September 2009. All applications are expected by **30 October 2009, 14:00 Finnish time** (GMT +2) at the latest. Required enclosures must be submitted via email by 3 November 2009, 14:00 Finnish time (GMT +2) at the latest.
