

Curriculum Vitae

Personal details

Name: Annemarie Wurz
Date of birth: 1st of April 1989

Scientific Education

PhD student since July 2016 at Georg-August University Göttingen,
PhD Topic: “Biodiversity services and ecological-economic trade-offs in agro-ecologically optimized vanilla cropping” in Madagascar

Master studies 2012 - 2016 “Biodiversity, Ecology & Evolution (M.Sc.)”
Focus: Nature Conservation
Georg - August - University in Göttingen
Degree: **Master of Science**
Topic master thesis: „*Floral preferences: Do neonicotinoids influence decision making in wild bees?*“

Studies abroad August 2013 till July 2014
Exchange year with Erasmus scholarship at “Lund University” in Sweden

April 2015 – April 2016
Master thesis with DAAD scholarship at the *Centre for Environmental and Climate Research (CEC)* in Lund with Dr. Björn Klatt, PD Dr. Yann Clough, Prof. Dr. Henrik Smith and Prof. Dr. Teja Tscharntke

Bachelor studies 2009 - 2012 “Biological Diversity & Ecology (B.Sc.)”
Georg - August - University in Göttingen
Degree: **Bachelor of Science**
Topic bachelor thesis:
“*Evaluation of counting techniques of the partridge within the context of the partridge protection project*”

Research assistance

- 01/11/2015 – 30/04/2016 Research assistant at the CEC, Prof. Dr. Henrik Smith.
Supervision: Dr. Björn Klatt,
• Tasks: Discussion and construction of experimental set up, behavioral observations
- 01/01/2015 – 31/03/2015 Student assistant at the Albrecht-von-Haller-Institute for Plant Research, Plant Ecology and Ecosystems Research.
Supervision: Dr. Dietrich Hertel
• Tasks: Data collection, sample processing, data input
- 28/04/2014– 30/06/2014 Research assistant at the CEC in Lund.
Research project: „*Does clothianidin affect foraging behavior and reproduction success of Osmia bicornis L.*”
Supervision: Dr. Björn Klatt, Lina Herbertsson
• Tasks: Development of experimental design, building, behavioral observations, strawberry harvest & classification

Non-professional experience:

- 06/08 – 01/09/2014 Assisting ringer at „Kvismare Bird Observatory“ (Sweden)
- 30/03 – 27/05/2009 Volunteer at “Weirfield Wildlife Hospital” in England
- 01/07 – 30/08/2009 Volunteer at “Island Wildlife Natural Care Centre” on Salt Spring Island in Canada
- 2008; 2010; 2011 Volunteer worker at the “Irish Seal Sanctuary” and “Dingle Wildlife and Seal Sanctuary” in Ireland
