## LANGUAGE REQUIREMENTS

1

In order to enroll in Spanish regular courses with Mexican students; a Spanish B2 or at least B1 level is required.

In case that the student has a level of B1, we strongly suggest that the student takes a Spanish language course during the semester to increase the knowledge and to develop the students language skills. This course is offered at UPAEP.

2

In order to enroll in English regular courses, a TOEFL ITP 500, TOEFL IBT 61 or IELTS band 6 score is required. A previous English certification or letter from the language department is sufficient to prove the language skills

**Note:** A student with 0 to 2 semesters of university-level Spanish or equivalent may only participate in the second option.

The Spanish classes are part of the benefits offered to non-Spanish speaker exchange students, whether it be for improving their Spanish skills or learn the basic aspects of the language. A mandatory Spanish placement test will be conducted in order to form the Beginner(A1), Intermediate (B1) and Advanced (B2) groups. Each course has a total of 10 academic credits. The language course will appear on the transcript.
