

Dear all,

We are excited that the second Homecoming of the Göttingen School of Development Economics, taking place in Göttingen on September 27th-28th, is approaching. Please find the schedule [here](#). While registration is closed as we have reached capacity, we warmly welcome everyone to join us for the open programme on Friday from 3 to 7 pm and the discussion panels on Saturday.

*Programme on Friday from 3 to 7 pm at Wilhelmsplatz*

Together with Sarah (Langlotz) and Lennart (Kaplan), we will host the Digital Development Dialogue (3D) on Friday from 15:00 to 16:00 at Aula am Wilhelmsplatz. Our 3D-guests will be Axel Dreher (Heidelberg University), Jochen Kluge (KfW), and Peter Krahl (BMZ). They will talk about Development Effectiveness in Times of Shifting Geopolitics.

From 16:15 to 17:30 we will host a Poster Session and a Career Market in the Alte Mensa am Wilhelmsplatz. The Poster Session features poster presentations of academic papers by PhD and Master's students. The Career Market offers the possibility to get and give career advice and share experiences with major employers of Göttingen's development economists.

Afterwards, from 17:40 to 18:00 we welcome everybody in the Aula am Wilhelmsplatz, and we are excited to announce Professor Francisco H. G. Ferreira (LSE) as our keynote speaker who will hold the Stephan Klasen Lecture on Friday till 7 pm.

*Programme on Saturday in ZHG*

The Discussion Panels on Saturday from 9.30 to 14.30 in ZHG 101 feature discussion rounds with academics and practitioners on current issues in global development as well as career paths inside and outside academia.

All the best,

Justyna Jantos and Laura Wedemeyer
