

Hello students!

Still deciding where to spend your Erasmus+ semester? Picture yourself working on a project with classmates from different countries, exploring Tallinn after class and heading out to discover Estonian nature with new friends. Join our live webinar and find out what your exchange semester at **TalTech - Tallinn University of Technology** could look like.

Discover what's waiting for you:

🎓 **Learning you can put into practice**
Explore study opportunities in English and find out how projects, teamwork and practical learning can become part of your semester.

🌍 **People who make the experience**
Get to know TalTech's international student community, student organisations and opportunities to connect beyond the classroom.

🏙️ **Tallinn as your student city**
Discover life in Estonia's capital, from its medieval Old Town to cafés, cultural events and places to spend time with friends.

🌲 **An exchange with room for adventure**
Find out what Estonia offers beyond the campus, including nature, changing seasons and experiences you might never have tried before.

💬 **Answers to your questions**
Ask about courses, accommodation, everyday costs and how to take the next step towards an exchange at TalTech.

So, mark your calendar and come see what Estonia has to offer for you!
