Larger Cohorts:

For courses with several hundred participants, your exam may take place simultaneously in EPR I and II. In this case, participants will be divided into different cohorts across the two e-examination rooms. You will be informed via e-Campus by email no later than one day before the exam in which room and cohort you will take your exam. Your assigned computer number will be posted, as usual, no later than 30 minutes before the exam on the notices in front of the e-examination rooms.

If you still have trouble finding your way, please feel free to speak to us on-site before the exam begins, and we will guide you to your seat.
