different types of classes

- lecture ("Vorlesung"): once or twice a week held by a professor
- exercise session ("Übung"): In addition to lecture, presentation of exercises in smaller groups, involving solving problems, discussion/ explanation of lecture
- seminar ("Seminar"): once a week, every student gives a talk for one session
- practical course ("Praktikum"; for computer science students): Working on a project with a group on your own time during the semester and giving a presentation about the project at the end of the semester

Regulations of the examination

- 👄 lectures: one exam (oral or written) at the end of the semester/
during the vacation
- 👄 examination method differs from lecture to lecture and will be
clarified in the first week
- 👄 if there are exercises, in some courses 50% of the points are a
prerequisite for admission to the exam
- 👄 seminars: credit points and grade are given for the talk
 - 👄 Depends if you just have 1 talk or several talks during the seminar

The screenshot shows the eCampus portal interface. At the top, there is a navigation bar with the logos of Georg-August-Universität Göttingen and Universitätsmedizin Göttingen (UMG). A red banner below the navigation bar states: "Ab 15.09.2025 ist die Anmeldung am eCampus nur noch mit eingerichteter Mehrfaktor-Authentifizierung (MFA) möglich!". The main content area is divided into several sections:

- Quicklinks für Studierende:** A grid of links including "Zuklappen des Abschnitts: Quicklinks für Studierende", "Personen suchen", "Räume suchen", "Tagesaktuelle Veranstaltungen anzeigen", and "Hilfe & IT-Support".
- Deutschlandsemesterticket:** A section titled "Deutschlandsemesterticket" with a sub-header "Deutschlandweites Semesterticket – AStA der Universität Göttingen". It contains text about the new ticket and a link to the AStA website.
- Lageplan im eCampus:** A section titled "Lageplan im eCampus" with a sub-header "Der interaktive Lageplan der Universität Göttingen ist nun direkt im eCampus". It describes the interactive map and its features.
- eCampus Ticker:** A section titled "eCampus Ticker" with a sub-header "Anleitungsvideo für die Einrichtung von MFA: https://www.youtube.com/watch?v=6-ppqHTySJO". It includes a message about the mandatory use of Academic Cloud Single Sign On (SSO) and MFA starting from September 1, 2025.

Module Catalogue

Module catalogue gives
overview of criteria in order to
complete M.Sc.

Georg-August-Universität Göttingen Module B.Inf.1236: Machine Learning		6 C 4 WLH
Learning outcome, core skills: Students • learn concepts and techniques of machine learning and understand their advantages and disadvantages compared with alternative approaches • learn techniques of supervised learning for classification and regression • learn techniques of unsupervised learning for density estimation, dimensionality reduction and clustering • implement machine learning algorithms like linear regression, logistic regression, kernel methods, tree-based methods, neural networks, principal component analysis, k-means and Gaussian mixture models • solve practical data science problems using machine learning methods		Workload: Attendance time: 56 h Self-study time: 124 h
Course: B.Inf.1236 Lec Machine Learning (Lecture) Bishop: Pattern recognition and machine learning, https://cs.ugoe.de/prml		2 WLH
Examination: Written examination (90 minutes) B.Inf.1236.Mp: Machine Learning Examination prerequisites: B.Inf.1236.Ex: At least 50% of homework exercises solved and N-1 attempts presented to tutors Examination requirements: Knowledge of the working principles, advantages and disadvantages of the machine learning methods covered in the lecture		6 C
Course: B.Inf.1236.Ex Machine Learning - Exercise (Exercise) Contents: Students present their solutions of the homework exercises to tutors and discuss them with their tutors.		2 WLH
Admission requirements: none	Recommended previous knowledge: Knowledge of basic linear algebra and probability English language proficiency at level B2 (CEFR)	
Language: English	Person responsible for module: Prof. Dr. Alexander Ecker	
Course frequency: each summer semester	Duration: 1 semester[s]	
Number of repeat examinations permitted: twice	Recommended semester: 4	
Maximum number of students: 100

ECampus-Mail

The screenshot displays the ECampus-Mail interface for the Georg-August-Universität Göttingen (UMG). The top navigation bar includes the university logo and the text "GEORG-AUGUST-UNIVERSITÄT GÖTTINGEN" and "UNIVERSITÄTSMEDIZIN GÖTTINGEN : UMG". Below the navigation bar, there is a "layout" dropdown menu set to "Three columns".

The main content area is divided into several sections:

- Quick links for students:** A grid of six links: "View course catalog", "Search events", "Search for people", "Search rooms", "Show daily events", and "Help & IT Support".
- Germany Semester Ticket:** A notification about the availability of the new Germany Semester Ticket, with a link to the ASIA website.
- My messages:** A section indicating that there are currently no reports available.
- My communication channels:** A section for managing communication channels.
- Quick links for students:** A second set of quick links.
- Göttingen State and University Library:** A section for the library, featuring a search bar for "Göttingen State and University Library" and a search bar for "Göttingen University Catalogue (GUK)".

In the bottom left corner, there is a "Recently used" section with a grid of icons. The "ECampus-Mail" icon, which is an envelope, is circled in red. Other icons in this section include "Self-service functions", "FlexNow", "StudIP", "Search for people", "Search events", "Application for a Germany / Lower Saxony scholarship", "View course catalog", "Forms", and "Search for a special event".

At the bottom of the page, there is a "Clear history" button and an error message: "An error occurred while connecting an external server."

Printing balance

- Each student has a so-called printing balance for printing, scanning etc. It is about 5 Euro for one semester. This money can be used for printing only and is taken back at the end of each semester. In case if you would need more than 5 Euro per semester, you can load your own money to the printing balance.

Welcome Day
