

# GAUSS

Georg-August University School of Science

GAUSS Spokesperson / GAUSS Board / GAUSS Office

Göttingen Campus Partners: UMG, MPI-DS, MPI-NAT, MPS, DPZ, DLR

Deans of Faculties / Faculty Boards / Dean's Offices

GGNB Spokesperson & Board  
GGNB & IMPRS Offices

## Biology & Psychology

### Faculty program

» *Biology* [81]

### Thematical programs

» *Behavior & Cognition* [30]  
» *Biodiversity & Ecology* [22]

### Associated program

» *Applied Statistics and Empirical Methods (ASEM)* [2]

## Chemistry

### Faculty program

» *Chemistry* [123]

### Thematical programs

» *Catalysis for Sustainable Synthesis (CaSuS)* [16]

## Geoscience & Geography

### Faculty programs

» *Geoscience* [36]  
» *Geography* [13]

## Mathematics & Computer Science

### Faculty programs

» *Mathematical Sciences (SMS)* [64]  
» *Computer Science (PCS)* [74]  
» *Data Science (PDS)* [19]

### Thematical programs

» *Environmental Informatics (PEI)* [7]

## Physics

### Faculty program

» *Physics* [154]

### IMPRS

» *Solar System Science*

## GGNB

(Neuro, Biophysics, Molbio)

### IMPRS

» *Genome Science* [64]  
» *Molecular Biology* [55]  
» *Neurosciences* [40]  
» *Physics of Biological and Complex Systems* [85]

### Thematical programs

» *10 doctoral programs (life sciences)* [228] \*

### Research Training Group

» *iRTG 2172 PRoTECT* [12]

### Leibniz Graduate School

» *EIDIS* [2]

[#] number of students enrolled in the program as of 03 April 2025

\* GGNB Thematical programs:

» *Biomolecules: Structure - Function - Dynamics* [36]  
» *Cardiovascular Science* [17]  
» *Cellular and Molecular Physiology of the Brain* [14]

» *Genes in Development, Disease and Evolution* [19]  
» *Microbiology and Biochemistry* [8]  
» *Molecular Biology of Cells* [21]

» *Molecular Medicine* [71]  
» *Sensory and Motor Neuroscience* [18]  
» *Systems Neuroscience* [11]  
» *Theoretical and Computational Neuroscience* [13]
