
seminar offering within the GGG course programme

course title:

Project Management in International Contexts

lecturer:

Dr. Dorit Battermann (Perspektiven erleben)

e-mail:

dorit.battermann@perspektiven-erleben.de

organization:

Perspektiven erleben

date & time:

Do. 06.06.2013 (10:00 -17:00), Fr 07.06.2013 (9:00 - 15:00)

Do. 13.06.2013 (10:00 -17:00), Fr 14.06.2013 (9:00 - 15:00)

target group:

beginners OR advanced learners

language of course and discussion:

English OR German

maximum number of participants: 16

conditions of participation:

credits (ECTS): 2 or 3 ECTS depending on workload

brief description:

Our work is more and more organized in projects.
This is especially true in an international context. Project
structures can be a very successful and sensible way to
reach the envisaged results, if the potential and possibilities

projects offer are well managed. Applying a mixture of theoretical and practical work the seminar offers basic information on methods of international project management and some background for project work in intercultural settings. Own projects can be brought along to work on.

literature:

location:

“Tagungszentrum” of the Historic Observatory (“Historische Sternwarte”),
Geismar Landstr. 11, 37083 Göttingen.

→ [location plan](#)

catering:

There is a small kitchen (,kitchenette’) in the “Tagungszentrum” that can be used for coffee or tea purposes. All equipment necessary (e.g. coffee machine, dishes, cutlery, etc.) is available.

Please take care of tea, coffee, milk, etc. on your own. The same also applies to food and cold drinks.

lesson contents:

Basics: definitions, types of projects, core features

Frame conditions of international funding agencies like EC

Tools for Project Cycle Management: Planning, Implementation, Evaluation

Staffing a project: the project manager and the team

performance requirements:

kind of (written) examination:

- paper
- written composition
- presentation
- other:

provision of advance information (e.g. literature or list of seminar papers)

by lecturer via e-mail

OR

presumably not necessary

comments/notes/other:

Participants can hand in own projects or project ideas they would like to work on. This should be done in form of a one page description to be sent to the lecturer at least one week before the seminar starts.
