**Dean of Studies at the
ZEWiL:**

Susanne Schneider

Head of BEST
Exchange

Head of Teaching Physics

**ZEWiL board
member:**

Carola Surkamp

Head of BEST
Exchange

Head of English
Language Teaching

Franziska Brinkmann

International
Coordinator

ZEWiL

Fabian Kregel

PhD Student

English Language
Teaching

Coordinators of BEST Exchange:

A Brief Presentation of BEST Exchange

- Planned outcomes during the 4 year period:
 - Joint Classrooms (for teaching students of all subjects)
 - Student Mobility from Göttingen to the partners during winter*
 - Student Mobility to Göttingen during the summer*
 - Yearly Summer School for teaching students (blended format)
 - Staff Mobility to Göttingen during the Summer School

* in the Northern Hemisphere

BEST Plans 2021

- Unfortunately, no physical mobility for students and staff in 2021
- Fully virtual summer school (instead of blended)
- Online staff network meetings
- Virtual formats to bring us together during summer/fall 2021
 - Joint Classrooms
 - Online buddy system for students
 - Virtual social events
- Preparation of Erasmus partnerships and physical mobility starting from fall 2022
 - Allows students from the EU partners to come to Göttingen (not covered by the DAAD)
 - Allows us to design a suitable program for your students who will come to Göttingen in 2022

BEST Summer Schools (2021-2024)

- Under usual circumstances:
 - Travel expenses + accommodation for 5 students per partner institution
 - Travel expenses + accommodation for at least 1 lecturer per partner institution
 - 5 experts/guests from other institutions
 - Field trips and similar program points
 - ECTS and certificates will be awarded

BEST Summer School 2021

- 2021 virtual format:
 - Topic: Virtual Exchange
 - Likely allows for more participants
 - Allows for more flexibility
 - Make students and staff aware of the possibilities from 2022 onwards
 - ECTS and certificates will be awarded

Questions?

And now a brief
intermission...

TEACHER EDUCATION AT GHENT UNIVERSITY

MASTER LEVEL

Degree of **Master of Science** in Teaching

- Full (90 or 120 ECTS) or shortened (60 ECTS) training program
- For teaching in higher secondary education

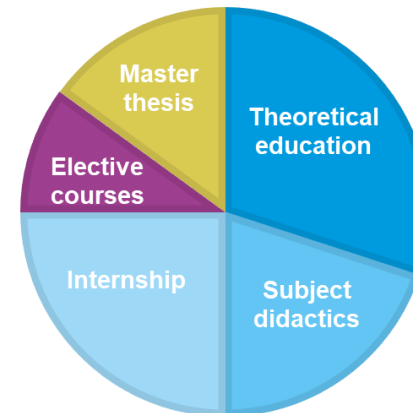

- New decree on teacher education in 2018
- Research based teacher education program (700 students)
- 8 Domains (including several subdomains)

- Behavioural Sciences • Health Sciences • Physical Education • Social Sciences
- Economics • Languages • Science and Technology • Cultural sciences

- Three trajectories

DURING Bachelor programme	AFTER Bachelor programme	AFTER Master programme
15 ECTS during third bachelor year	90 or 120 ECTS	60 ECTS
Courses in domain component and teaching component	Courses in domain component and teaching component	Courses in teaching component

-

Courses theoretical education

- Powerful learning environments
- Classroom management
- Developmental psychology
- Teaching in schools and society

TEACHER EDUCATION AT GHENT UNIVERSITY

→ Overall vision

- › Multiperspectivism
- › Dare to think (*Durf denken*)

→ Ghent campus and three campuses in different regions in Flanders (Belgium)

- › Live streaming to campuses
- › Active learning program

1.  All students need to be on campus in Ghent (i.e. guest lectures)

2.  Theoretical lectures with live streaming to other campuses

3.  Active learning on all campuses (i.e. workshops)

4.  Online learning course (i.e. selfstudy)

→ Research-based topics (educating the next generation of teachers)

- › CLIL
- › ICT and educational technology
- › Diversity and inclusive education

→ 'New' evolution towards focus on **video-based learning**

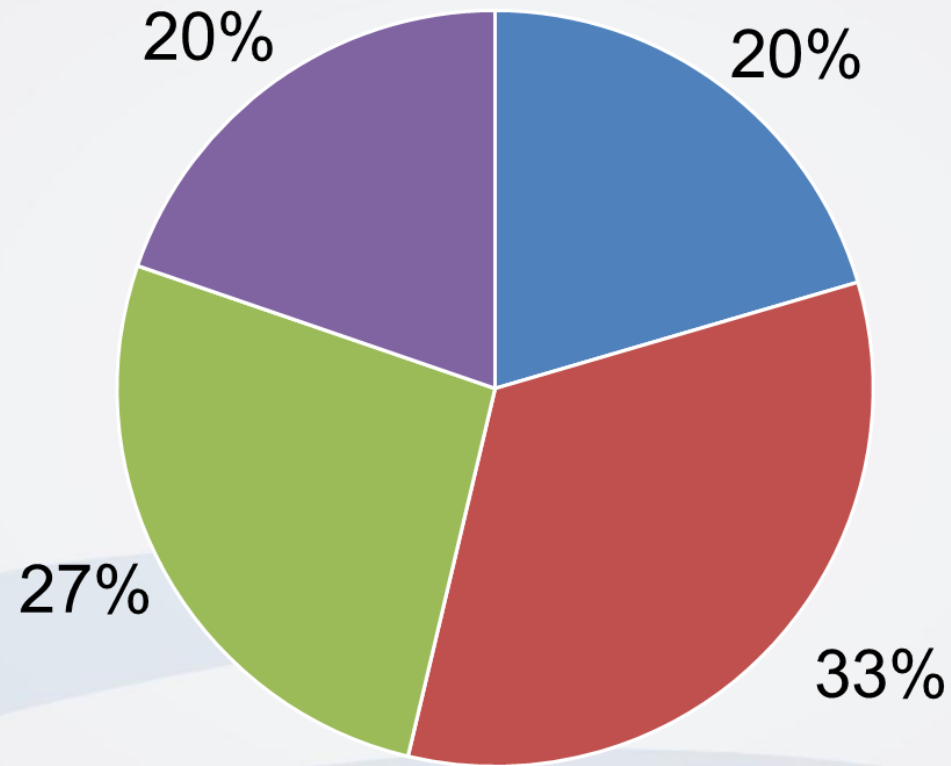

- › Video feedback via video-annotation software
- › Clinical simulations

Profile

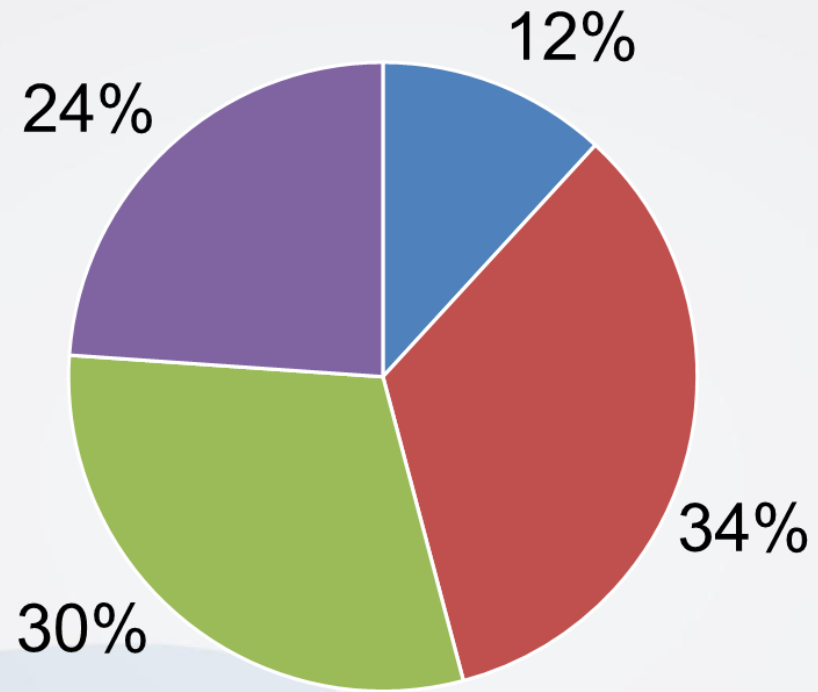

- Nursery – Post Graduation (Lato Sensu)
- Emphasis: Languages, sports and arts
- Bilingual curriculum in German
- Teaching Training Courses - Bachelor
- Teachers work in Higher and Basic Education
- Academic research: Licenciatura
- Languages are organized by linguistic levels according to the CEFR
- Partnership with 13 City Halls to provide continuing development for teachers

Students

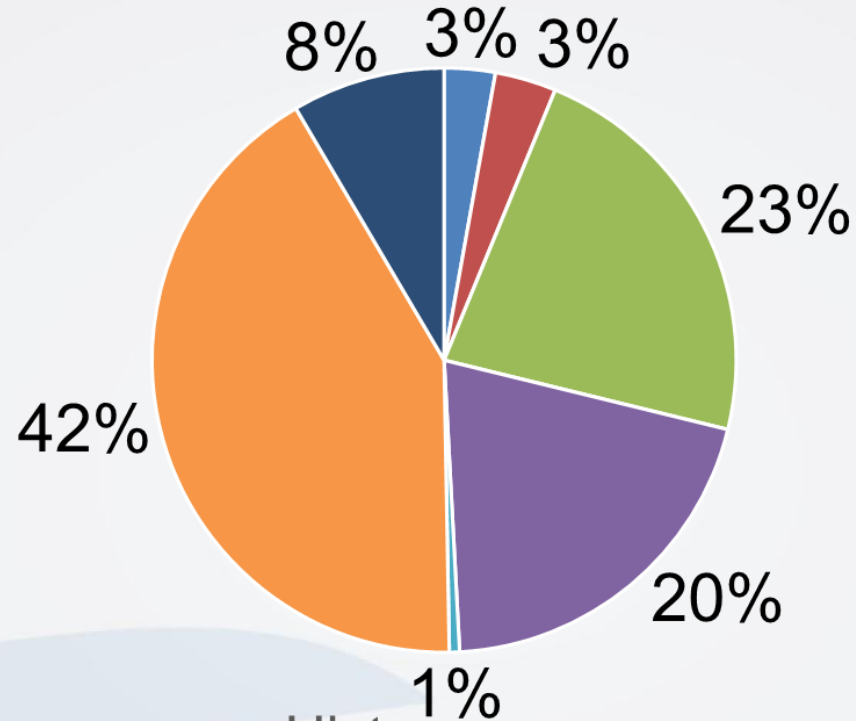

■ Nursery ■ Primary ■ Secondary ■ High School

Others

- Technician
- NAI
- Language Course
- ASCARTE

Teacher Training: students

■ Geography

■ History

■ Pedagogy

■ Music

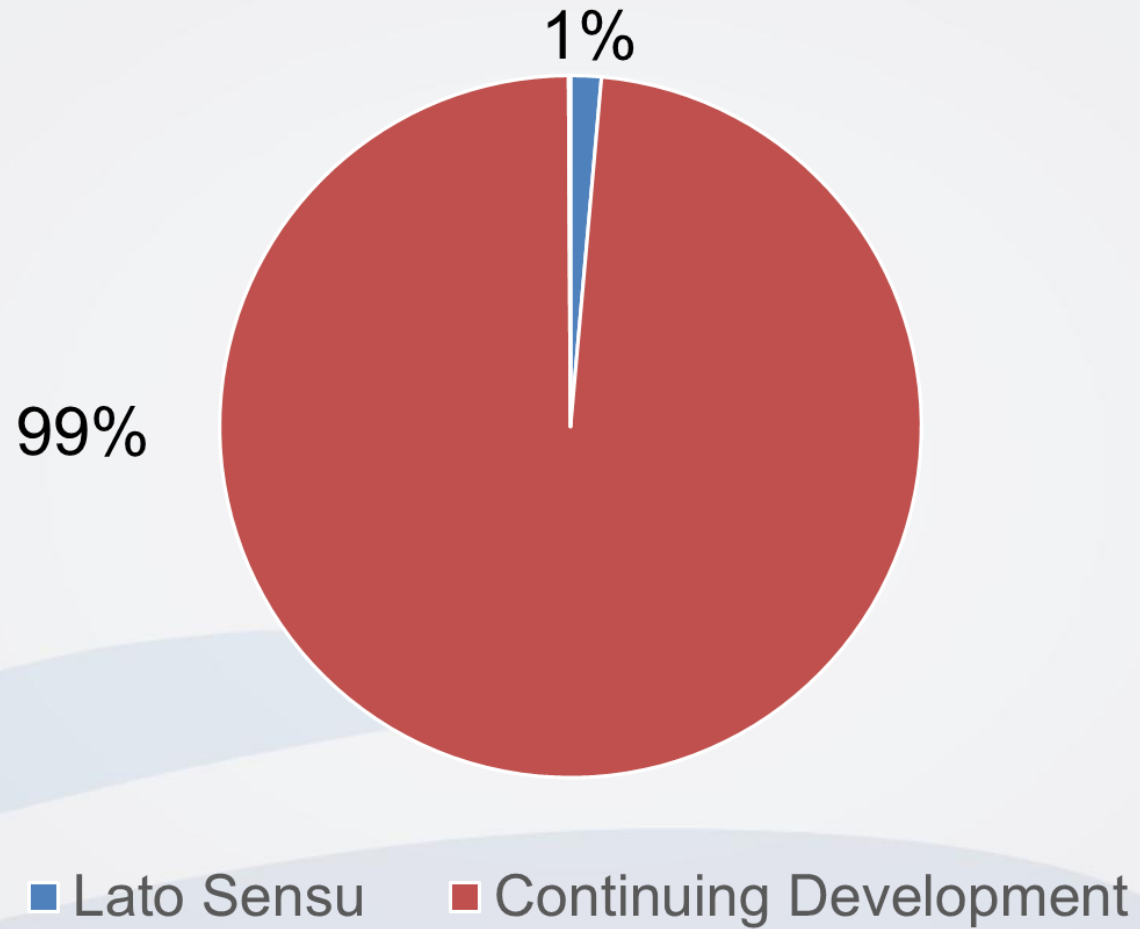

■ Languages P

■ Languages P/G

■ Languages P/E

Lato Sensu / Extension

Teaching Programs Highlights

German students

- take the C1 exam (DSD II)
- 2-month study trip to Germany
- 140 extra hours of German

English students

- B2/C1 level at the end
- Take the TKT Cambridge Certificate (Modules 1, 2, 3)
- 400 hours of English

Teaching Programs Highlights

Pedagogy students

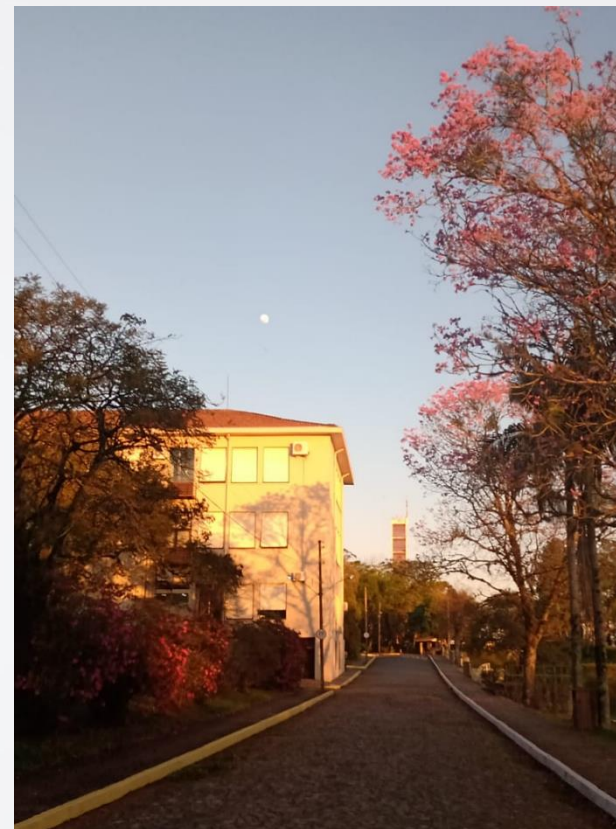

- Almost always become coordinators, principals, Head of the Education Department of the City
- First places in admission processes

Research groups

- Undergraduates are able to participate in them
- Three: 1. Childhood: participation and ludicity
2. Bilingual Education
3. Mathematical Literacy (Primary Years)

IN THE HOPE OF A NEW TIME!

Teacher Education at the University of Tartu

- 25 programmes in 4 faculties
- Pedagogicum as a co-ordinating body for all teacher education programmes
- Common core module (60 ECTS) at MA level:
 - General pedagogical competence (base) module (24 ECTS)
 - Practice module (24 ECTS)
 - Didactics module (12 ECTS)
- MA programme generally 2 years and 120 ECTS

Institute of Education

- 1000 students, ca 60 members of academic staff
- In-service teacher training: 4000+ annually
- Some research topics:
 - professional development of teachers
 - educational technology
 - learning analytics
 - digital literacy
 - special education
 - inquiry-based learning
 - students' metacognition
 - Multilingual and –cultural education
- Centre of Educational Innovation

UPPSALA
UNIVERSITET

Teacher Education at Uppsala University

Faculty of Educational Sciences

- Research-based education for high-school teachers
- 20 different departments engaged
- Department of Education (EDU) for didactic studies with 310 employees and 7,500 students in programs and courses.
- Teacher programs for pre-school, primary school and secondary school

The teacher program for upper secondary school

- 10 or 11 semesters of full-time studies, mostly at BA level
- Combinations of sets of two school subjects possible:

Biology, Chemistry, English, French, Geography, German, History, Mathematics, Mother tongue (Arabic and Turkish), Philosophy, Physics, Religious education, Social sciences, Spanish, Swedish, Swedish as a foreign language

The structure of the program for upper secondary school teachers

Three parts:

Subject studies (yellow)

Didactic studies (pink) - EDU

School practice (white) - EDU

Strong research areas at EDU:

Leadership in the classroom

Education for children with special needs

Sociology of education

Worth knowing:

International cooperation/exchange

(EDU = Department of Education)

(I vissa fall kan studiegången behöva anpassas utifrån hur kurserna inom ämnesstudier ges höst- respektive vårtermin.)

Termin 1	Termin 2	Termin 3	Termin 4	Termin 5	Termin 6	Termin 7	Termin 8	Termin 9	Termin 10	Termin 11
Ämne 1 (1–30 hp) 30 hp	Ämne 1 (31–60 hp) 30 hp	Utbildningens framväxt och villkor 7,5 hp	Ämne 1 (61–90 hp) 30 hp	Ämne 2 (1–30 hp) 30 hp	Ämne 2 (31–60 hp) 30 hp	Specialpedagogik 7,5 hp	Ämne 2 (61–90 hp) 30 hp	Bedömning och betygssättning 7,5 hp (AV)	Ämnesför-djupning (91–120 hp) ämne 1 eller ämne 2 30 hp (AV)	Ämnesför-djupning (91–120 hp) om ämnes-komb SV/SAMH 30 hp (AV)
		Ledarskap 7,5 hp				VFU II 7,5 hp		Utvecklings- och utvärderingsarbete 7,5 hp (AV)		
		VFU I 7,5 hp				Vetenskaplig teori och metod 7,5 hp		VFU III ämne 1 7,5 hp		
		Lärande och utveckling 7,5 hp				Läroplansteori och didaktik 7,5 hp (AV)		Utveckling och utvärdering forts.		

Ämnes- och ämnesdidaktiska studier
 Studier inom den utbildningsvetenskapliga kärnan
 Verksamhetsförlagd utbildning (VFU)

* Ämnesrelaterad VFU
 (AV) = kursen ges på avancerad nivå

Teacher Education at the University of Göttingen

➤ **ZEWIL (Central Institute for Teacher Education and Research)**

➤ Research-based study program for high school teachers (~2.500 students, 9 faculties)

➤ Bachelor (6 semesters), Master (4 Semesters)

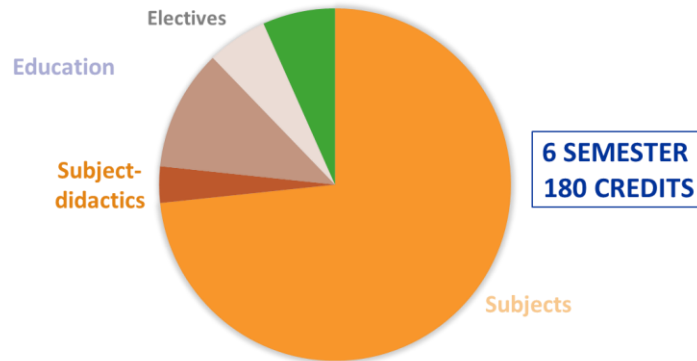

➤ Almost any combination of 2 of these subjects:

➤ Biology, Chemistry, Physics, Mathematics, Computer Science, Geography

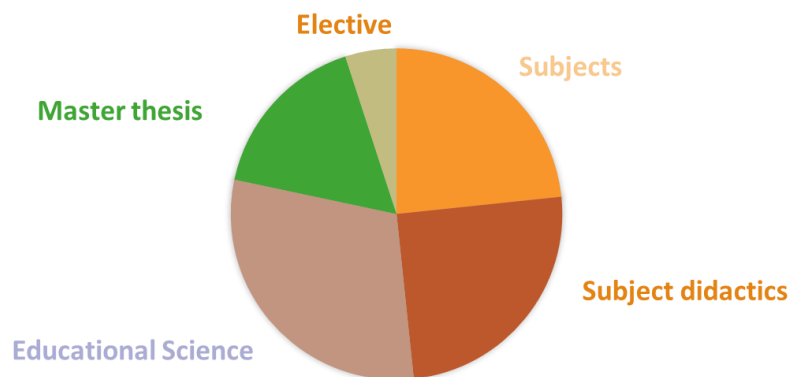

➤ German, English, French, Spanish, Chinese, Russian, Latin, Greek, Philosophy and Ethics, History

➤ Politics, Religion, Physical Education

Bachelor Thesis

4 SEMESTER
120 CREDITS

Teacher Education at the University of Göttingen

- Our special program: **Lehramt Plus**
 - Several different certificates to deepen knowledge on specific topics in the field of teacher education
 - For example: Education for Sustainable Development, Inclusive Education or CLIL
- 3 School Labs visited by pupils, where students can be involved
 - Y-Lab: Humanities
 - X-Lab: Natural Sciences
 - B-Lab: Life Sciences

				
Inclusive Education	Integrated Natural Sciences	Integrated Social Sciences	Education for Sustainable Development	Content and Language Integrated Learning

Outlook

Roadmap: BEST Exchange (2021/22)

Timing	Action	Goal	For Whom?
30th of April 2021	BEST Network Meeting Virtual Exchange	Introduce everyone to the concepts of virtual exchange, make plans for the summer school 2021	Teaching, research and administrative staff from all partners interested in BEST Exchange
August/September 2021	BEST Summer School (Virtual) Topic: Virtual Exchange	Teaching students, teachers and researchers from all 5 partners and external experts discuss the topic of Virtual Exchange	Teaching students, teachers and researchers
Fall 2021	Virtual Exchange through Joint Classrooms and Social Events	Connect our institutions virtually	Teaching students and teachers from all 5 partners
Summer 2022	BEST Summer School 2022	Teaching students, teachers and researchers from all 5 partners and external experts	Teaching students, teachers and researchers
Fall 2022	First student mobility with BEST	Student mobility	Teaching students

BEST Network Meeting: Virtual Exchange

30.04.2021

BEST Network Meeting: Virtual Exchange

- With guest speaker Prof. Dr. Robert O'Dowd
- Meet possible partners for joint classrooms
- Discuss the content of the BEST summer school on the topic of Virtual Exchange

Thank you very much!

We are looking forward to the Network Meeting!
